Dear ICCMA MEMBERS & VALUE PARTNERS,

I consider it my honor and privilege to invite you to the **7th Edition of ICCMA Congress 2019** which will be held this year at **India Expo Centre, Greater Noida, NCR** from **5th to 7th September 2019**.

The Corrugated Packaging Industry in India is facing intense competitive pressures, commoditization, stringent compliance, audit procedures, as demanded by leading brand owners.

Due to the disruption occurring in almost every segment, be it services or manufacturing sector, the Packaging Industry is undergoing massive and rapid cultural change.

Incumbent NDA 2.0 Government is continuing to promise additional FDI, greater transparency in dealing with the government, strict Corporate Governance and Industry friendly reforms which would benefit the economy in the long term.

To overcome the current macro challenges, it is essential for us to be fully geared up to navigate headwinds, in an appropriate manner to enable sustainable business growth.

The theme hence for **ICCMA Congress 2019** is **NAVIGATING HEADWINDS - 4Cs – Commoditization, Co-Existence, Compliances & Culture**. Eminent Speakers/Panel Members from across the country shall be sharing their views and expertise on the relevant topics.

The session on the 5th Sept. 2019 will start post lunch, as the first half of the day is kept for the members & participants to visit the IndiaCORR Expo 2019.

ICCMA Congress 2019

Dates: 5-7 September 2019 (Thursday, Friday & Saturday)

Venue: India Expo Centre, Greater Noida, NCR

Entry: Open for Registered delegates and Invitees only

Networking Dinner:

This year also there will be two networking dinners – on **5th September 2019 hosted by ICCMA (for all Registered Delegates & Invitees)** and on **6th September 2019 by one of our Value Partners (for their invitees only)**.

We have already finalized the stay and dinner arrangements at Jaypee Greens Golf & Spa Resorts, Greater Noida, NCR. (Limited rooms are available & shall be allocated on first come first serve basis to Registered Delegates Only.)

IndiaCORR EXPO 2019 is concurrently being organized by **Reed Manch Exhibitions (Organisers of Sino Corrugated in China)** from 5-7th September 2019 at the same venue. Delegates/Sponsors will be getting a dual benefit of attending the **ICCMA Congress 2019** as well as the **IndiaCORR EXPO 2019**, the exhibition.

It is India's biggest and the only focused exhibition for the Corrugated Packaging Industry. Your participation at this high-profile event will offer you immense networking opportunities to widen your knowledge & perspectives as well. You will appreciate all the last six editions of the **ICCMA Congress** were a TOTAL SELL OUT.

I would request you to kindly book your seat well in advance, so as to avoid last moment disappointment. Eagerly looking forward to welcome you at the event.

Warm Regards,

Kirit Modi
President – ICCMA
